A Special Visitor

Proceed to Page 2 to learn more about the special visitor we had join us for this year's Easter egg hunt! Let's just say he had us hopping with joy!

APRIL SHOWERS BRING MAY FLOWERS

April brought Germantown Plantation Senior Living Community lots of fun, smiles, and laughter! Starting with a visit from the Easter Bunny and ending with a fun game of Fact or Foolery, April was full of cheer, especially when Hutchison students came to spend their Sundays with us! Residents were also able to vote in the local 2026 midterm elections, which will help determine the next Shelby County Mayor. Please continue reading to hear all about April and learn more about events coming up in May!

EASTER BUNNY VISIT

The Easter Bunny paid us a visit! At our Easter Egg Hunt on Friday, April 3rd, the great, big bunny joined us to spread some easter cheer! Joann Hudnall, Jane Bush, and Lela York were residents that found the coveted golden egg, earning themselves a special Easter basket.

AND ALL THAT JAZZ

Known as the First Lady of Song and the Queen of Jazz, Ella Fitzgerald delivered many powerful and memorable performances in her day. On April 17th, we took a trip down memory lane and listened to many of her iconic jazz hits!

APRIL SHOWERS ART CLASS

Pictured above are paintings created by Mary Lou Cash (on the left) and Fran Morris (on the right).

SPROUTING TOMATOES

Tomato plants have begun to sprout on the back patio! Go check on them to see their progress.

In the spirit of classic April weather, we had an art class about April Showers! We practiced mixing paint to make our own colors and shading objects in our paintings to add dimension. Visit the Game Room to see all the paintings in our Resident Art Gallery.
